Hi Angeles,

Let's set it up from 11 to noon. Thanks for quick response. Can EPA send out the invite? Thanks. 😊🙏

Hi Mohsen. Yes. We also received the invitation below and plan to attend. Regarding your suggestion for a prep meeting with the Navy to discuss Parcel G comments, sure. Enrique isn't available until after 11am. I am thinking that we may not need more than 1 hr so a prep meeting from 11-Noon may work well. If we think we need more time, I can get us starting and Enrique can join later. Your thoughts?

Hi Enrique and Angeles,

I am sure you have also received this invite, but just in case you haven't wanted to pass it onto you. I have confirmed that I will be attending. Since the timing is Monday afternoon, we have to cancel our previously scheduled time to talk to the Navy. Since most likely the Navy and CDPH have also received this invite from the Mayor's office, I was wondering if we can meet at your office Monday late morning to discuss with the Navy our comments and then head over to this briefing. Please advise ASAP so we can reschedule. Please call my cell to discuss. Thanks and have a nice day.
